Message from the Author

I've been using the drug store near my house frequently since I moved. Because I usually buy a lot of things while I'm there (I hate going outside while I'm working on a manuscript), the manager remembered me. Now every time I visit, he always comes up to starts a conversation. Σ(°□°;) It's really embarrassing... but it's the only store nearby, so I have no choice but to endure it. (.へ.)

I couldn't look,
I'm terrified of facing him...

There was someone who sent a letter to me and told me their image of archery had changed I was very happy As a person who loves hakama, I think Archery is beautiful. That's the image I have and as someone who loves "Moe" I have to make a point with it Hohohoho

That's right, when it started being serialized my friend who was in high school archery club gave me some ideas to consider The bow in archery is surprising heavy Hotaru or Kou suke carry it like it is light I got a lot of different ideas from my friend Y chan

Y chan's opinion after reading the first volume "The shooting form (their stance while pulling the bow) was very pretty" She said to me

I was able to draw it this way because she gave me such good feedback (laughs)

Kanzaki asked?
?

Yup.
She wanted to say that something suddenly came up and she's sorry
HUH?
What's with that since she's the one that changed the meeting place then didn't show up?
Eh,
I don't know the reason though...
Something happened with her cell phone. She panicked and asked me to come.
What's that girl doing...?
Hey, Kousuke-kun, since your plans have been cancelled, do you want to do something with me?

And even when I finally did my best

Hey...
Kousuke-kun, do you like Hotaru...?
!!!
What's with that so suddenly?
SHOCKED

Well, you know...
Bu... but...
Ever since that time in middle school on the train, she has liked Haruna-sensei, didn't you know?

ERRRR
Hm — Well, Suzuki-san, since it's you, I guess I can say it
...Eh? The real thing?
Actually...
Two years ago on that train, the one who saved her
was really me.

Since I'm the one who saved her, I don't want her to start liking me because of that.
ah
For now, that's a secret from her.
...Eh?...
What I want is for her to really look at me, and only me.

SO THE PERSON THAT HOTARU LIKED, ALL THIS TIME...
WAS ACTUALLY KOUSUKE-KUN
Is that so...?
!
Kanzaki-san...?
KOUSUKE-KUN...
HURRY UP AND COME...

KOUSUKE-KUN!?
Why are you standing in the rain? And you're this wet!
HARUNA-SENSEI!
Your face is really red. It's because you have a fever, isn't it?
How long have you been in this place? Come on, I'll take you home!

Apparently, people become couples every year
Someone said that Haruna sensei is participating this year
I want to be with Haruna-sensei!
Me, too! ♡

Hey hey, did you hear from the senpais?
Tomorrow we're doing that night navigation with a map and a compass. The group is composed of two people a girl and a boy. And the goal is the mountain summit

So...

You like Kousuke-kun but,
But I like him too, and I can't just hand him over.
Is that so?
I understand your feelings now.
But Hotaru and Kousuke-kun are having trouble with each other now.
And you're not doing so well with me either.

Are we done talking? Because I'm going back.
